

THESE ARE INSTRUCTIONS FOR HOW TO COLLECT \$5 DONATIONS

It is important that certain steps are followed to make sure each \$5 contribution and signature will count towards qualifying the campaign for Clean Election funding.

1. **Each sheet can only be used for one town.** In other words, there can not be a signature from someone from Bath and someone else from Brunswick on the same sheet. If you need more sheets you can either photocopy a blank one or contact us and we will send you more.
2. All checks or money orders need to be made out for **exactly five dollars** and made payable to **"Maine Clean Election Fund"** (not to *LaMarche for Governor* or *Pat LaMarche*).
3. Each \$5 contribution must be made by check or money order (no cash).
4. Each individual has to make out their own check or money order for \$5. In other words, there can not be three signatures and one check for \$15.
5. Only registered Maine voters can sign and make a \$5 contribution.
6. Each voter should print their **actual street address** (where registered to vote) on the signature form, even if it is not their mailing address. For example, have the voter print "24 Kennebec Rd.", not "RR 1 Box 24".
7. The check or money order number (usually found in the upper right corner of the check or money order) must be printed in the second box on the signature form.
8. Send the form with all Clean Election signatures and \$5 contributions to:

LaMarche for Governor
P.O. Box 854
Portland, Maine 04104
